--------------	-------------	----------------	----------------

### 2. Period

Start Date	<b>2006-11-13</b>	End Date	<b>2006-12-31</b>
Estimated number of hours	160	Hours per week	32
Working hours	Standard office hours according to Client's needs.		
Additional Information			

**2.1 Premature Termination**

The assignment may be terminated in advance if the Client terminates the contract with eWork. According to the buyer's terms.

### 3. The Assignment

Name	<b>SecurityExpert</b>	
Type of Contract	Normal - hourly rate, invoice	eWork Agreement No <b>4523</b> - <i>Must be on all invoices and time-/expense reports to eWork</i>

#### 3.1 Description of the Assignment

The task of the security expert is to assist in the design and development of the security aspects of the Surveillance Database. His or her focus should be mainly on application level security rather than security on the level of hardware and server software configuration.

#### 3.2 Execution of the Assignment

In execution of this specific assignment eWork uses the services of **Ubuntu Software Design Ltd** (mentioned below as the Consultant Supplier). By parties assigned and approved consultant for the assignment is by the Consultant Supplier employed consultant, **Gerard Webb** (mentioned below as the Consultant).

#### 3.3 Premises and equipment

The assignment is executed in the Client's premises. The Client will provide necessary equipment for the fulfillment of the assignment.

### 4. Compensation

The assignment is based on an hourly rate and invoiced monthly unless something else has been agreed. (*All rates ex VAT.*)

Estimated number of hours	160
Hourly rate	550.00 SEK
Total estimated order value	88,000.00 SEK <i>(Given that the work is performed on standard hours.)</i>

The order value is not absolute in that sense that the assignment can be shortened or decreased in scope. Compensation shall therefore amount to worked hours, however the fee is not to exceed maximum order value without having this agreement extended.

#### 4.1 Overtime

eWork Standard. Overtime may only be charged if agreed in writing.

#### 4.2 Travel and Expenses

According to eWorks frame agreement with the Buyer.

In case travels and expenses may be charged, these shall be accounted for by submitting a clear expense report and of all receipts attached to the invoice. All documents must be marked with eWork's reference number 4523.

Travel time is not compensated, unless something else has been agreed.

### 5. Terms of Payment

The Consultant Supplier shall in accordance with the assignments agreed upon conditions account for worked hours and continuously provide eWork with billing documents as above. If nothing else is agreed upon accounting is done once per month. The accountancy is to be supplied to eWork no later than three (3) working days following the previous month-end. After receiving the time report, eWork will invoice the Buyer within three (3) working days. Payment from eWork to the Consultant Supplier shall be made within five (5) working days after obtained payment from the Buyer. The Consultant supplier is only entitled to payment in the extent that eWork has obtained payment from the Buyer.

Payment from the Buyer to eWork shall be made within 30 days net from the date of invoice.

For payment received after the due date interest may be charged in accordance with the Swedish Interest Act (1975:635).

## **6. In Force Agreement**

This agreement regulates the content and conditions for this specific agreement. In this case the conditions should not be uniform or contradictory the following applies according to:

1. This agreement
2. The Buyer's standard terms. (Client's general terms and conditions for consultant services)
3. eWork's Conditions for execution of consultant services

## **7. Dispute and applicable law**

Disputes arising from the rights and/or undertakings of the parties in accordance with the Agreement are to be settled by Stockholms Tingsrätt.

Of this agreement two original documents has been set up and exchanged between parties.
